

Our Brands

We exclusively own and operate all of our own brands.

This gives us the autonomy to optimise the return on investment at each hotel.

Clayton & Maldron Hotels are Ireland's two largest hotel brands with a growing presence in the larger cities in the UK.

Club Vitae is the largest leisure centre brand in Ireland.

Red Bean Roastery coffee brand has been rolled out to 16 hotels across the portfolio with another 18 hotels planned for 2018.

Grain & Grill restaurant brand has now been rolled out at almost all of our Maldron Hotels.
